Remarks

In the outstanding Notice of Non-Compliant Amendment, the Examiner has indicated that the amendment filed on January 19, 2007, which was filed in conjunction with a Request for Continued Examination, presented only claims drawn to a non-elected invention. Specifically, the new claims were seen as equivalent to non-elected claims 12-29 presented with the filing of this application and subject to restriction.

Since the amendment was deemed to be a bona fide attempt to reply, the applicant was given a time period of one (1) month or thirty (30) days to supply the omission or correction and the available extensions under 37 C.F.R. §1.136(a). Applicant has filed herewith a Petition for a One Month Extension of Time to extend the pendency of the present application to June 18, 2007. On even date herewith, applicant has filed a divisional application that claims the benefit of the present, co-pending earlier filed application under 35 U.S.C. §120.

Fee Statement

This response is being filed in conjunction with a Petition for a One Month Extension of Time. Form PTO-2038 is enclosed herewith authorizing payment of \$120.00 for the extension fee. Applicant believes no additional fees are due for the filing of this response. If any additional fees are due or any overpayments

have been made, however, please charge or credit our deposit account (Deposit Account No. 03-1130).
